get pre-qualified today

Take just a few minutes to pre-qualify for a loan today. You’ll have the financial backing you need when you buy your Cirrus aircraft. Your pre-qualification will last for 90 days. Plus, we’ll find you the lowest possible interest rate and hold it for 30 days.

your ideal co-pilot

You can count on CIRRUS FINANCE to back you up 100% during the financing process. Your Cirrus finance manager will make sure that the only excitement you experience is the joy of accepting your new aircraft on delivery day. Your personal finance manager will ...

- Find you the most competitive rate
- Ensure your loan application is complete and expedited through all necessary channels
- Prepare all necessary FAA filings
- Be there on your funding and delivery day to ensure everything goes smoothly

choose financing that works for you

20-YEAR FIXED LOANS: Offers an attractive fixed rate for the duration of your loan and fixed monthly payments until your loan is paid in full. Ideal if you ...

- Want to lock in a fixed interest rate
- Want consistent monthly payments for the duration of your loan

BRIDGE LOANS: Lets you purchase your new Cirrus with only a deposit as your out-of-pocket cost. CIRRUS FINANCE finances 100% of your new aircraft and holds your new and old aircraft as collateral. When your old aircraft sells, you’ll make a 15% down payment and can apply as much or as little of the remaining proceeds to an existing loan or toward your new Cirrus. Ideal if you ...

- Want to sell your current aircraft and use the proceeds to purchase your new Cirrus aircraft
- Want to buy your new Cirrus aircraft before you sell your current aircraft

frequently asked questions

Q. What documents will I need to provide?

A. Each situation is unique, and your Cirrus finance manager will make sure you have all the information you need to complete your application. In general, you’ll need to provide ...

- Completed application
- Current financial statement(s)
- Previous two years tax returns and schedules

Q. Will I need insurance?

A. Yes. You’ll need full ground and flight insurance as well as “Breach of Warranty Insurance.” Please contact the experts at CIRRUS INSURANCE™ for a quote or if you have questions: 877.963.9080.

Q. Is there a minimum or maximum loan size?

A. No. Based on qualification, you can borrow as little or as much as you need for your dream aircraft. Loans less than \$250,000 may be subject to different rates.

Q. Do you finance other aircraft?

A. Yes! We want you to have a smooth buying experience ... even if you don’t buy a Cirrus aircraft. If you find an aircraft – new or used – from another major manufacturer, we’re happy to help.

Q. How low could my interest rate be?

A. Visit the CIRRUS FINANCE page on our website (cirrusdesign.com) to see the current terms of loans that are available.
